of the Commercial House.

-We received an invitation to attend the marriage of Miss Alice Smith Spring Lake valley, 35 miles east of of Armada to Geo E. Allen, formerly the Missouri river and 35 miles west of this place but now of Mayville, on of Ipswich a booming town in this Wednesday, July 23rd. We extend county. The valley extends from east you, George, our most hearty congrat-ulations and wish you and yours a with undulating hills, well adapted for long and prosperous life and that your stock raising, on each side. The soil

tion of stone butments for a new iron what they term Alkali water, and is bridge across Mill Creek, west of the often very difficult to obtain. In Duffie block, the same to be completed Aberdeen (30 miles east of Ipswich) PAINTS, OILS, VARNISHES and in readiness for the bridge by the first and Ipswich they have to bore down

made this office a call on Monday and so you may be sure it is not good for weeks before the time already paid for want by digging from 6 to 20 feet. had expired. If all the subscribers We have had weekly rains from the we would buy a new box of blacking wheat prospects are something extra for the "devil's" boots and have the all through the Territory. We have

gan a few days since the work of as \$2.50 per bushel for white Russian seed oats and every field where they are sown is full of that noxions weed practical miller, and intends, after putting his mill in proper shape by repairs and the addition of such new machinery as is needed, to turn out work second in quality to possible that locality paid this spring as high as \$2.50 per bushel for white Russian seed oats and every field where they are sown is full of that noxions weed wild mustard. Where fields were sown late this spring, I notice that pig weed predominates. The climate of this country is healthful and invigorating and men who have lived in the Torwork second in quality to no mili in and men who have lived in the Terthe country. The mill will be ready ritory 3 to 5 years, say they never for business in about two weeks and heard of ague or malarial fever. I do farmers should make a note of the fact not know how the weather is in Mich that we will then have two good mills at present (July 15th) but I wore my

The dropping off in the receipts of

-On Tuesday Aug 5, the chairmen of the Boards of School Inspectors of the several townships in the county meet at the clerk's office in the city of Port Huron to elect a member of the Board of Examiners in place of Darwin Drake whose term expires. The Board, at present, consists of Harvey Tappan of the first district; Lincoln Avery of the second, and Mr. Drake of the third. In looking over the ground for a successor to Mr. Drake we would propose Mr James E. Lutz, of this township. Mr. Lutz has been closely identified with the schools in this section of the county. having been engaged in teaching ten years, and has held the office of town-

ship superintendent of this township during the year of 1878, 1879 and 1881. He is thoroughly qualified for the po-sition, being one of the ten teachers holding first grade certificates in the county and one of the two teachers holding first grade certificates in this district. We hope to see him elected.

-We are again at the wheel having returned this week from our visit to our old home in Canada greatly improved in health and better prepared Our visit was short but it has the heaps of good both mentally and physically. One of the pleasant features of ically. One of the pleasant features of the vide down the picture-King's Ranch, Roscoe, Dakota T. sque St Clair river to Detroit, the beautiful city of the straits. We took passage on board the magnificent over there, to the coming presidential election. Here is a point to consider. Should we have free trade with Canada the presidential election would not -"Capt Sam" Bettis made us a call at this office Monday morning. He will be at Lakeport this week with better it would be for the two countries should annexation take place.

Nature Cleanses

The system if given an opportunity, but trip to the South on Monday next.

A slight change in the plan of Gongh's new store, as announced in last weeks paper, makes the entire building two stories high and being already well under way it makes quite an addition to the central part of the willage.

McKeith's garding Dakota, but when he heard change of ad in this issue. He is selling all goods saved from the late fire this region in winter, he concluded to below cost to dispose of the same. He take up his cattle ranch further south will have a public anction every Sat-urday evening during the month of August between 3 and 7 o'clock. Par-the "Brockwayites" a true and impar-corner Main and North Streets, ties wishing to get bargains will do tial account of this country as far as lies in my power. Anny and I have troubles be little ones.

On Monday the highway commissioner of this township, let to Wm ing on either gravel or clay. The McFadden a contract for the construc- water in most parts of this territory is of October. The contract price is from 80 to 100 feet and then it is not S549.00, and includes the neccessary drinkable. I saw one paiful emptied grading to reach the bridge.

—Mr. Eugene Kiley, of Roscoamon soap suds. Horses do not relish it made ye printer's heart glad by leav- man. In Spring Lake valley the water ing a dollar on subscription several is excellent and you can obtain all you on our books would follow his example beginning of May and I hear that the Cheaper than any other house in this section. Don't Fail to Call on him office towel washed right away. A no Canada thisties vet, but I suppose hint to the 'really good in heart' ought to do the business.

—D. Williams, the new proprietor of the Howell mills at this place, bethat locality paid this spring as high uister yesterday and when I go up to their grinding promptly.

The Romeo Observer has the following in regard to the L. & U. R. R.: inst it has been very cold ever since. - It is very probable that the U & To look at the wild prairie hay which grows in the sleughs you would think grows in the sleughs you would think that horses and cattle would not eat it, tives and many friends in Strathroy during the past week.

E. M. Cady, of Port Huron, was

ponded, it will not be to a later date cured of the heaves through its agency, than the spring of '85. It any one feels 2 yoke of oxen are generally used with than the spring of '85. It any one feels like slinging the cld and time-honored a sixteen inch plow for breaking, but 'I told you so,' at those who favor you sometimes see a 2500 lb team walk Wells & Co. this project, we can tell him that the along with a 14 inch plow, and do it camping at the lake shore.

—Mrs. D. R. Brown and mother left on Wednesday for Deckerville where the former will make a two weeks visit.

—Helden Bros have a large stock of summer clothing which they are selling at cost to make room for Fall stock.

This project, we can tell him that the road is certain to be built, unless something than anything from 12 to 16 inches wide, 3 inch deep and turn it flat down, so the ground is in the same shape as it was, only top side down. Some of your old country anothing particularly discouraging in the outlook of the U. & L. road."

—On Thesday Ang 5, the chairmen thin to rot properly. The wild flowers on the prairie never seem to give out, when one kind dies there are always lots of other kinds to take its place, and you can go out and in 10 minutes can pick as nice a boquet as you wish and which would sell in any city for a quarter. A few antelopes and buffalo this spring, but they are few and far between. Some of my neighbors were er and they say that it was ne colder than Michigan but that a blizzard is to be dreaded. They say the prairies is then a raging sea of snow and if you are caught out and your horses fail to

take you home you are done for. I should advise any one who has 80 acres in Michigan to stick to it, for even if his farm has "run out" he can 'run it in again" by raising stock. The way they are farming here by taking all from the land and giving nothing in return will see some farms in this Territory run out 'ere long and then, what will they do? You have your apples and peaches and in fact all kinds of fruit in Mich and in this place only very hardy trees will flourish. I have not seen one for three months to deal out news to our subscribers. and if I am spared to see another I

passage on board the magnificent steamer Idlewild, of the Star Line styles in Prints, Ginghams, Lawns, Routs, which makes daily trips to De-Buntings, Nuns Veiling.
